

Test Equipment Connection Corporation Announces New Test Equipment Leasing Program.

Released on: September 13, 2007, 3:33 pm

Press Release Author: Phil Vogel

Industry: [Semiconductors](#), [Aerospace](#)

Press Release Summary: Test Equipment Connection Corporation today announced the company is now offering a special test equipment leasing program that defers a customer's monthly payments until 2008.

Press Release Body: *"Companies can now get the test equipment they need today to generate immediate revenue and profits while saving money on monthly payments,"* said **Mike Novello, VP of Sales for Test Equipment Connection Corporation.** *"Many of our small business customers in the USA need access to capital with flexible terms and we are here to help them. In addition IRS Section 179 may allow some businesses to immediately expense the first \$112,000 of test equipment they purchase in 2007 so this is a good time of the year to take advantage of the potential deductions."*

About Test Equipment Connection Corporation: **Test Equipment Connection Corporation** is the largest vendor of New and Refurbished electronic test and measurement ("T&M") equipment and is located in sunny Lake Mary, FL. **Test Equipment Connection** sells, rents, leases, buys, trades, repairs and calibrates a wide variety of T&M manufacturer products. **Test Equipment Connection** is a single source supplier with an in-house calibration laboratory assuring that customers receive only the highest quality

T&M equipment and support. The Company has over 200,000 customers, a 45,000 square foot warehouse and repair facility, and over 14 years of profitability and financial strength. The Company's web site is located at www.testequipmentconnection.com
