Released on: September 21, 2007, 1:03 pm

Press Release Author: Phil Vogel

Industry: [Aerospace](#)

Press Release Summary: Test Equipment Connection Corporation today announced the company is now selling and leasing new high performance Western Graphtec data loggers and midi loggers.

Press Release Body: *"The Graphtec GL200, GL500A and GL800 all offer excellent performance and value for analog measurements," said Lexie Moss, Sales and Channels Manager for Test Equipment Connection Corporation. "The Graphtec GL Series with 8 to 100 channels is ideal for high speed, low speed and long duration data capture. Graphtec America is a world leader in data logging and recording instruments because of their affordability, reliability and portability. Graphtec Instruments is a welcome addition to our product line."*
