Press Release Body: Custom essay writing service [ProfEssays](#) has started its new writing season to help students cope with their writing assignments in the fall semester.

San Francisco, CA, October 23, 2007 -- www.ProfEssays.com announces that it starts out to provide its customers with the services of writing several new types of essays. They are art essays, reflective essays and humanities essays. The company has recently hired experienced and well-educated experts in a number of fields, who are able to conduct research and complete papers on a wide range of subjects and themes.

This company move was motivated by the fact that there has been observed a steady growth in demand for several types of essays, namely those mentioned above. Many customers would send requests to the company on carrying out academic searches on such specific subjects as **African art, the art of Telephone exchange, Europe and Ancient Hellenic republic**. That is why the company has employed more than twenty experienced researchers in such fields as **Modern art, Eastern European art** and **Latin American Art** in order to be capable of providing high quality art essays.

In the meantime www.ProfEssays.com keeps providing its customers with high-quality, creative and original custom essays and term papers on traditional subjects. As the managing directors of ProfEssays hope their custom writing service will soon become one of the most reputable and reliable essay writing services in the cyberspace setting new criteria in writing and composing custom essays and papers. The company carries on with its noble tradition of perfecting its services and raising custom writing criteria.

Traditionally October and November are among the busiest months for the company staff and they are doing their best to meet the customers' expectations and successfully complete challenging orders. The company never stopped working in summer providing its custom writing services for undergraduate, graduate and post-graduate students.

"Many people choose to start their studies in fall and that is why now we have many new customers. Our writers and managers are mobilizing all their efforts to provide them with the best services possible so that these customers stay loyal to us," says **Steven Brubeck, ProfEssays Vice President.**

Custom essay writing service www.ProfEssays.com has more than 300 authors for composing well-researched, original, coherent, and properly referenced duty assignments. The company is aware of the trust a student commits in it by resorting to its services and guarantees a complete refund in case plagiarism is noticed in any of its custom essays and papers. The company also delivers all the pieces of writing on or even before deadlines so that the customers are able to post an inquiry for alterations if any. This possibility is one of the reasons our customers are satisfied with our service and adds to an excellent reputation of **ProfEssays**.
