

Super Holiday Rentals offers new property in Germany's Black Forest

Released on: December 14, 2007, 8:20 am

Press Release Author: [Super Holiday Rentals](#)

Industry: [Consumer Services](#)

Press Release Summary: Super Holiday Rentals, the worldwide live online holiday booking engine has expanded its holiday rental portfolio with a new studio apartment in the Black Forest Region of Germany

Press Release Body: **Super Holiday Rentals**, the worldwide live online holiday booking engine, has recently added a new studio apartment at the **Schwarzwaldler Hof Hotel**, to its growing list of rental properties.

The new property is the latest addition to the [Super Holiday Rentals](#) collection of accommodation in [Germany](#).

The brand new [holiday apartment](#) is part of the **Schwarzwaldler Hof Hotel** which is set in the heart of **Todtmoos in the Black Forest region of Germany**. The hotel is centrally located along the town's pedestrian shopping mile, and is a short stroll from the baroque pilgrim's church, a health and spa centre, and is close to the **majestic Black Forest** which offers plenty of wonderful walks, and wildlife spotting opportunities. From **Schwarzwälder Hof**, it's easy to explore the amazing landscape in this most southern part of Germany.

The holiday rental itself is a comfortably furnished studio apartment, equipped with a king sized double bed, a telephone, cable television, free internet access, and a bathroom with shower, tub and wc.

The **Schwarzwälder Hof**, like many [hotels in Germany](#), offers a health spa which includes a sauna, steam bath, whirlpool, solarium, Jacuzzi and beauty salon. Ski equipment hire and bicycle hire can be arranged on site.

Getting to **The Schwarzwälder Hof Hotel** from the UK is easy with the choice to fly to international airports in Zurich (50km away) and Basel (60km away).

Super Holiday Rentals are continually adding new properties to their booking engine, offering [holiday villas](#), apartments, houses and other holiday accommodation through the UK, Europe and rest of the world.

About Super Holiday Rentals:
Super Holiday Rentals was first devised by Philip A Green, a leading holiday home owner and operator in the UK, and is a worldwide live online holiday booking engine.

People who own holiday rental property the world over can advertise their property on [superholidayrentals.com](#), by loading availability onto the [superholidayrentals.com](#) booking engine. **Super Holiday Rentals** allows customers to search, book and pay for their chosen holiday rental live online immediately.
