

How life coaches can get filthy rich

Released on: March 26, 2008, 1:11 pm

Press Release Author: [The Cake Coach](#)

Industry: [Marketing](#)

Press Release Summary: Life coaches routinely have to search through all the internet marketing and promotion gurus to find the one shred of advice that can help them, but not anymore. The Cake Coach is a coach and knows exactly what will launch your business to higher profits and joy.

Press Release Body: Stop wondering when your coaching business is going to take off. Now you have a partner that can accelerate your business to the next level and do it fast.

Marketing is not one size fits most like so many gurus would have you believe. Some things work best for coaches and some great methods don't work at all.

Craig Miller, The Cake Coach, knows what works for coaches and is the only coach in the world who can coach your success system out of you.

His goal everyday is to help as many coaches as he can accelerate their business by quantum leaps and bounds.
