Press Release Summary: What do you wear when you get fired? Tais-ties developed a line of neckties that can make you street credible in narrow alleys, bullet proof in dirty business and survivor in a deep and dark recession... presenting the Bill Killed, when you get fired

Press Release Body: What do you wear when you get fired? What do you wear when your job gets cut? What if your Bill gets killed?

Tais-ties developed a line of neckties that can make you street credible in narrow Bronx alleys, bullet proof in dirty Wall Street business and survivor in a deep and dark global recession... presenting the Bill Killed, when you get fired, Tattoo, when you need to show your ties with Yoshi, Dirty Business, when business gets really dirty, Seppuku, if there ain't a way out and the Pinky, making sure they understand the consequences!

Tais-ties was born in the aftermath of the boom market, summer 2008, preparing the neckwear industry for the darker times ahead. In the meantime tis-ties is covered by influential blogs like JCReport "Tie One On, Bringing hip to the neckwear industry", Trendhunter, UrbanDaddy "Conquering corporate bloodbaths with style" and DailyCandy in the Gift Guide for Bad Boys, Whatcha Gonna Do?

Visit www.tais-ties.com for our Bad Boys recession offers.
