**About Orange Model Management Inc.**

Orange Models in Toronto is one of the top modeling agencies in Toronto. At Orange Model Management we are committed to continuously align our agency with style and fashion, we believe that fashion is moving, changing and is always interacting with everything around it. As an agency we not only stay close to the developments in fashion but we have to sense what is going to happen before it hits the market. As a good agency we find a balance between catering for what is needed in the fashion industry while developing a style of our own.
