One lucky customer of ACF Car Finance Limited in Dunstable is gearing up for a great 2010 after winning one of two large cash prizes following a nationwide competition.

Wayne Hedges, of Enfield, entered the free customer prize draw organised by ACF Car Finance which gave every customer who purchased a car from one of its eight nationwide showrooms, between 29 and 31 December 2009, the chance to win one of two cash sums.

Wayne was the lucky runner-up, winning the £500 prize, after driving away in his new Peugeot 307 from the ACF Car Finance showroom on London Road (A5).

"I'm really shocked to have won this fantastic cash prize. The timing couldn't be better. It's going to come in really useful having just moved into a new flat. I'm looking forward to spending it on a new leather sofa" Wayne commented.

The first prize winner was ACF Car Finance Bristol customer Stephen Herridge, who won £1,000.

Chetan Patel, the recently appointed Branch Manager of ACF Car Finance Dunstable, added: "The prize draw competition was a great incentive. It felt good to be able to give our customers a chance to win a large cash prize and it proved incredibly popular as many people would have liked the cash to help pay off their New Year bills after Christmas.

“It’s fantastic to see such a worthy winner as Wayne who we know will benefit from the money, using it to help settle into his new place.”
