For the benefit of people looking for the free credit reports and best credit card deals, Free-Credit-Reports.com has launched an online service

Hollywood, FL – 22 February 2010 - To make it easier for the customers to understand the competitive credit card and credit report market, Free-Credit-Reports.com has introduced a reliable and quick [free credit report online](#) service free of cost. A good credit history is very important when customer is looking to get a certain amount of money from the lending institution or banks. To maintain a good credit history, customer will be regularly updated about the credit status so that any blemish can be removed, if it is there.

In response to the query via email, spokesman of Free-Credit-Reports.com said, "All the credit reports provided are organized in a comprehensive way. The customer can go through all the pages in a very easy to understand format. Free-Credit-Reports.com has a tie-up with the reputed and tested players in the credit card market like Visa, MasterCard and American Express. So the customers can rely on our reports for their credit history. Irrespective of the credit history of the customer, one is sure to find a credit card at the Free-Credit-Reports.com." He also went on to add that Free-Credit-Reports.com also provides the guide to understand the various reports.

The spokesperson also stressed that Free-Credit-Reports.com will

provide a chart with which the credit eligibility of the applicant is decided. This helps in convincing the lender or creditor in lending the money or providing the credit card to consumer. All the information provided to the Free-Credit-Reports.com is kept secret and is not disclosed to third party. In today's world the internet is growing at a fast pace and with the growing e-commerce the chances of identity theft have increased manifold. To counter this Free-Credit-Reports.com also provides the services in which they will provide protection against any sort of identity theft.
