Lighthouse Catholic Media, a not-for-profit company achieved a milestone in sales growth of 21% over April, 2009 – significant in this continuing poor economy worldwide. As we move toward the end of Pope Benedict’s “Year for Priests” Lighthouse continues to support this theme with its release of its “Year for Priests” CD.

In this fantastic CD, Dr. Michael Barber, Professor of Theology and Scripture at John Paul The Great Catholic University, and Chase Hilgenbrinck, seminarian and former professional soccer player, share rich insights about this vocation to which select men are called by God to serve Christ and the Catholic Church.

Lighthouse Catholic Media’s CDs are distributed primarily in two ways: through their FAITHRAISER Kiosk Program displayed in over 3,000 parishes, Catholic schools and missions, and via their popular Lighthouse CD of the Month Club Program. The CD of the Month Club is a subscription-based service delivering faith-filled Catholic CDs to individuals at the amazingly low rate of \$5/month including postage, with brand new titles being introduced monthly by inspiring speakers, both lay and clergy.

The June CD of the Month is “Why Be Catholic?” by Patrick Madrid. Best-selling author and veteran Catholic apologist Patrick Madrid shares why he is Catholic (when he could be anything else) by presenting the historical case for the Catholic Church. Discover the powerful biblical evidence for Catholic teaching that will inspire you to share your faith with others effectively and help you to grow in your

love for Christ and His Church in the process! This compelling overview of the key historical, biblical, and common-sense reasons for being Catholic is perfect for Catholics and curious non-Catholics alike.

Many people in these economically challenging times are looking for sources of truth and guidance, a sense of hope, courage and faith, and a means to grow spiritually in their daily lives. Lighthouse Catholic Media is meeting that need, having distributed more than 975,000 CDs in 2009, and serving over 3,000 of the 18,000 US Catholic parishes.
